

TO WHOMSOEVER IT MAY CONCERN

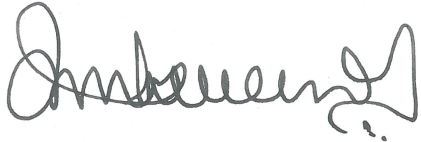

This is to state and certify that Mr. Shyam Makwana has successfully completed an Internship program with 'Four Clowns' as a **Web Developer Intern** at **FOUR CLOWNS**, Ahmedabad between **10th May, 2021** and **31st July, 2021**.

In his tenure, he has always been found punctual, team player, great communicator, task oriented and an avid learner. It is observed frequently that he has performed beyond his KRAs just for the sake of learning newer things that might help him build a bright future and career.

I recommend him for any program or position which demands skillset mentioned above and wish him great success in all of his future endeavours.

Best wishes

Harsh Vasanani
